

EDMUNDS HIGH SCHOOL CLASS OF 1966

**50th Year Class Reunion
September 23-24, 2016**

Letter From The Committee

The 50th Year Reunion of the Edmunds High School Class of 1966 is now a memory. It was a great success with over 220 attendees. It was wonderful to see and visit with so many of our classmates and friends again. We want to thank everyone who attended and made it such a memorable and happy occasion. We also want to express our regrets to those who could not attend and let them know that they were missed.

It seems that as we grow older, our friendships and memories from our youth become much more special and precious to us as the years go by. That's why it's so special to refresh and renew those friendships with a reunion such as this. It's our desire and hope that we can have another reunion in three years. Can you believe it will then be 53 years since we walked the halls of Edmunds? We also hope that even more of our classmates will be able to join us at that time.

And, thanks to all of you for your support with the reunion. Without your efforts and attendance it would not have been successful. But most of all, many thanks for your friendship since the days we were all at Edmunds. We came together from different schools, both in Sumter, and elsewhere to form the great Class of 1966.

We hope you enjoy this Memory Book. We look forward to seeing everyone again in three years.

Your Reunion Committee, the Edmunds High School Class of 1966
